# DOUBLE ENDED INDUSTRIAL GRINDERS

**BGE 150/200**  
**BGT 200**

The Ajax Arboga range of double ended bench and pedestal grinding machine are designed and built for use in industrial environments. They come with a 60 and 80 grit wheels, tool rest, eye shield and manufactured in Denmark to conform to HSE & CE requirements.

The riggers of most workshops is too much for the cheaper low quality units, so these units are stronger and of much higher quality and with a 12 months parts warranty.

Fitted with eye shields and solid adjustable tool rests available in both 150 & 200mm.

Art. No. 860201028	
Series no. 62149	Prod. No. 2110
1 x 220-240 V	1000 rpm
50/60 Hz	500 W
	Class. F IP 54
Dim: ø150 x 25 x ø32	Weight: 14 Kg
CE	

## OPTIONAL ACCESSORIES

- Pedestal.
- Belt Grinding attachment.
- Wire wheel.
- Polishing mop & guard.
- Dust extraction built into pedestal.
- Or any combination.
- 12 month Parts Warranty (Wheels not included)

**BGE 200 with Wire Wheel**

**AJAX ARBOGA BG 150 DOUBLE ENDED GRINDING MACHINE**

With 150mm x 25mm Grinding wheels 3000 rpm  
 Grit of stones 60/80  
 Complete with eye shields, toolrests & guards.  
 Continually rated Available in:  
 230 Volt single phase 500 Watt  
 Weight 14 kg

**AJAX ARBOGA BG 200 DOUBLE ENDED GRINDING MACHINE**

With 200mm x 25mm Grinding wheels 3000 rpm  
 Grit of stones 60/80  
 Complete with eye shields, toolrests & guards.  
 Continually rated Available in:  
 230 Volt single phase 650 Watt  
 415 volt Three phase 750 watt  
 Weight 18.5 kg

**BGE 200 with Polisher**
